

# **Johnson & Johnson Issues Statement on December 20 Defense Verdict in St. Louis**

December 20, 2019

New Brunswick, NJ - This is the fourth consecutive verdict in favor of Johnson & Johnson in these cases and the eighth defense verdict this year. The jury carefully considered the decades of independent clinical evidence, which show Johnson's Baby Powder is safe, does not contain asbestos, and does not cause cancer. We know that anyone suffering from cancer is searching for answers, which is why the science and facts on this topic are so important.
